How to register for courses

- For other courses, it is not possible to apply via LSF or another website. In this case, please send an e-mail to the professor teaching that subject to inform them that you want to attend their course!
- In other cases, there are guiding comments or contact details in the „Comments“ section of the courses on LSF

IMPORTANT

- Always check the „Comments“ section, you may find useful and important information there!

The screenshot shows the LSF interface for a course. At the top, there are navigation options: 'Gruppe : vormerken → [jetzt belegen / abmelden](#) [markierte Termine vormerken](#)'. Below this, the 'Zugeordnete Person' section lists 'Andreeva, Bistra, Prof. Dr.' with the role 'Zuständigkeit'. - Please ask your professors to inform you about the exams, the examination dates, as well as the exam registration process and other formalities at the beginning of the semester. The earlier you know this information, the better!
- **To note:** You can only receive your Credit Points / ECTS points from the courses you have actually attended, if you successfully pass the respective exam!
- In case a course does not offer an exam, please clarify the details with the professor (e.g. how to receive a grade or how to pass the course and receive a certificate (Schein) for it)

Departmental Erasmus Office

My (new!) Office hours during summer semester 2024:

- Monday 12:00-14:30
- Room No. 2.08.02, Building A2.2
- **Out of office:** Announced on our website and via a note on the office door
- For further updates, please check our website. You can always communicate with us per email!
- You can also book an appointment with us in case your questions cannot be answered via email

Departmental Erasmus Coordination **vs** General Erasmus Office & International Office

- Your Erasmus Coordinator at our university is: Ms. Dimitra Papadopoulou
- The departmental coordinator is: Ms. Andrea Wurm
- For questions and issues related to your **Learning Agreements, Transcripts of Records** and / or other **questions regarding your studies**, please contact us at: erasmus-languages@io.uni-saarland.de
- For questions related to the **financial aspects of your Erasmus exchange** or for your **Erasmus funding and scholarships**, please contact the International Office at: erasmus@uni-saarland.de
- For other questions related to your **daily life** here, please contact the Welcome Center at: welcome@uni-saarland.de

Departmental Erasmus Coordination **vs** General Erasmus Office & International Office

- The departmental Erasmus Coordination is **NOT** the same as the general Erasmus Office or the International Office!
- For the signing of the **Certificates of Arrival, Stay and Departure**, please contact either the International Office: erasmus@uni-saarland.de or the Welcome Center: welcome@uni-saarland.de
- **Exception:** Exchange students from the **East Partnership** programmes → those Certificates are signed by Ms. Dimitra Papadopoulou

The Learning Agreement

- In the end your Learning Agreement (LA) needs to correspond to your Transcript of Records, so please remember to enter any changes in your courses on your LA, as well!
- The **Learning Agreement** is **signed by the Erasmus Coordinator, Dimitra Papadopoulou**
- You can send it to me either per email as a PDF or Word document or via the OLA portal and the EWP system
- **IMPORTANT:** For me to receive a notification about your LA on the EWP platform, please enter the name Dimitra Papadopoulou and the email address: erasmus-languages@io.uni-saarland.de in both sections titled „**Contact person**“ and „**Responsible person at the Receiving Institution**“!!!

The Learning Agreement

- Regarding the recognition of the courses you have attended at our university back at your home institution → please contact your home coordinator to clarify the details with them
- In case the Credit Points / ECTS points of a course are not stated on the LSF portal → please check the module guide of the degree the course belongs to (e.g. the Language Science module guide: https://www.uni-saarland.de/fileadmin/upload/studium/angebot/mhb_ba/MHB2016/MHB_Language_B_A.pdf) or you can, alternatively, also contact us

The Learning Agreement

- Please also make sure that the rest of the course details on the Learning Agreement are accurate and updated
- Try to avoid entering the title of a module as a course. Modules usually consist of multiple and different courses and the ECTS points are divided among them → You receive separate certificates (Scheine) for such courses and those are entered separately on the Transcript of Records, as well!
- Feel free to contact us as often as needed, if you need your Learning Agreement signed or if you need to change it!

The Learning Agreement

- Changes can be made at the beginning of the semester, as well as towards the end, but **ONLY** if your home university allows that (e.g. you feel like the content of the course is not what you were expecting, the language level is higher than expected, there are time slots clashing, you end up not participating in an exam etc.) → delete any courses you are not taking from your LA and enter the new ones → either create a new LA or make changes to your already existing one
- **Please make sure that your home coordinator is also informed about the changes to your Learning Agreement**
- You can also let them know that we are willing to sign changes to your LA multiple times

The Transcript of Records and Certificates

- At the end of the semester, the grades and certificates for the courses you attended from our department will be sent directly to me per email or sent to the office postbox
- Alternatively, get your „Scheine“ and / or grades from the lecturers and then send them to me per email or submit them at the office. For courses not offered by our department, it is up to you to receive your certificates!
- **Tip:** Ask the professors from your courses right from the start to send the grades and certificates to the Erasmus coordinator (Dimitra Papadopoulou, erasmus-languages@io.uni-saarland.de)

The Transcript of Records and Certificates

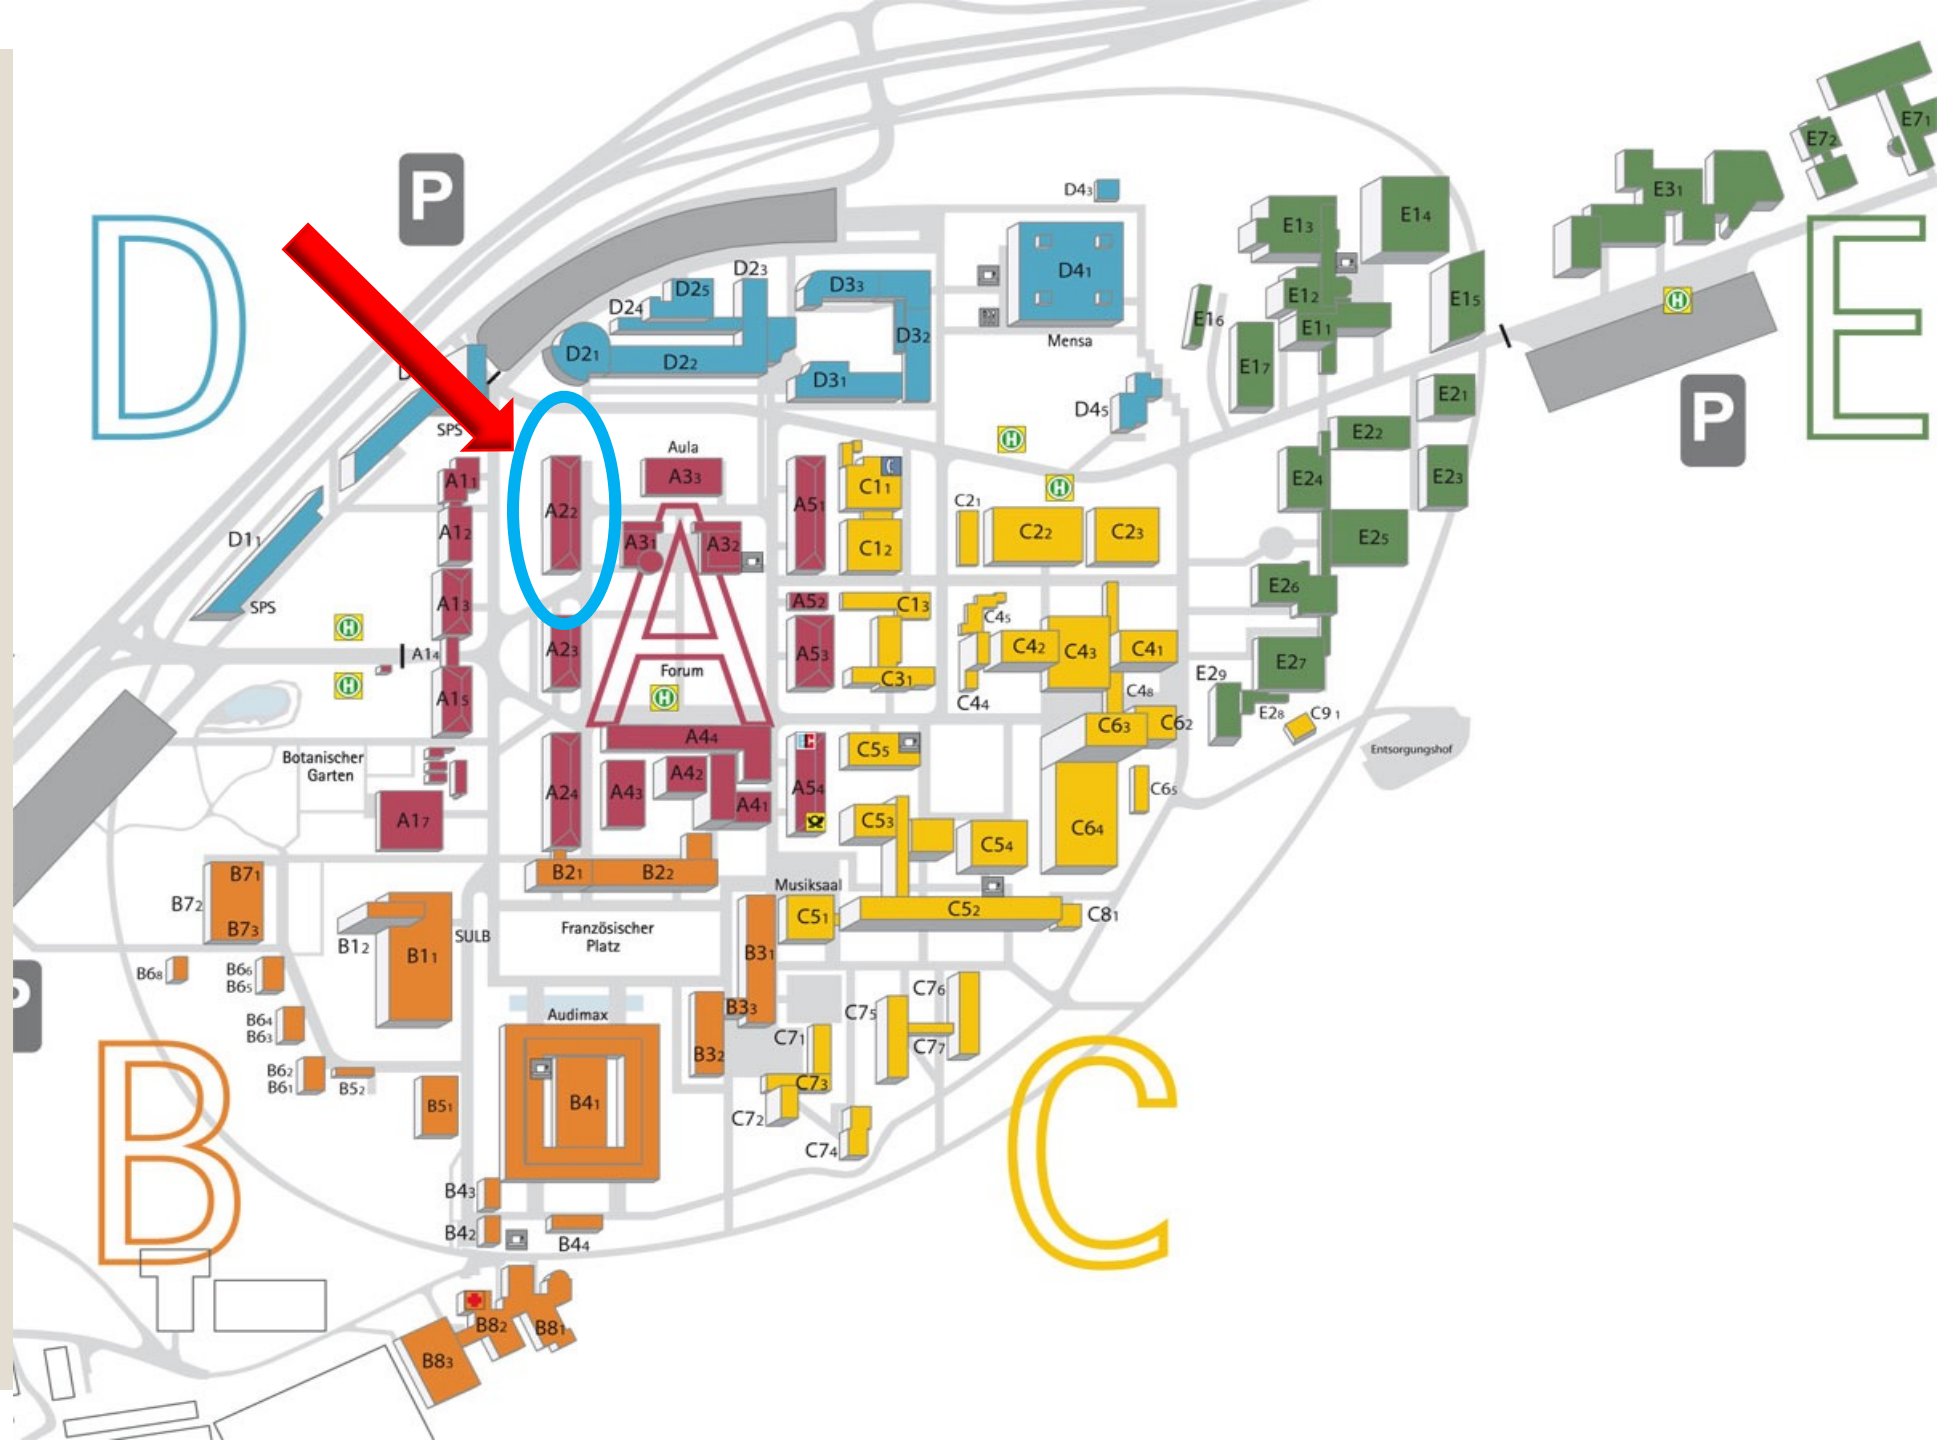

- The **Transcript of Records** is **issued by Dimitra Papadopoulou**, once all your grades have been received and uploaded to our system
- Exam and term paper correction time varies widely and cannot be influenced by the Erasmus coordination!
- Please **let me know your deadlines** (if there are any) on time!

The Transcript of Records and Certificates

- You can ask me for an overview of the grades I have received for you at any point towards the end of the semester
- In case you urgently need your Transcript of Records but are still missing one or two grades, you can contact me about it → I can issue you a temporary ToR!
- Once the ToR is issued, it is signed by the Erasmus Coordinator and sent either to your email address or to that of your home coordinator / home university
