The “Meet & Greet“ programme

“Everything but work”

The programme “Meet & Greet” offers a series of cultural and social events for young scientists (doctoral and postdoctoral researchers) at Saarland University and adjacent research institutes. Its purpose is to foster connections between young researchers across all disciplines and countries.

Format

Each event features a cultural highlight and an informal Get-together, which provides the opportunity to meet new people in a friendly environment. Feel free to join and to bring along your friends and interested guests!

Entrance fees

For entrance fees, food or transport, there will be a financial support for registered PhD students and postdoctoral researchers. If you’d like to take part in the events, please register not later than ten days before the event via email.

Events in the winter term 2017/18

A jazz concert, a musical evening, information session given by experienced employees of the International Office and of GradUS, Get-together with pizza and pasta, day-trip to Strasbourg and visit of the Christmas market, day-trip to St. Wendel with a night watchman, and a ballet performance are scheduled – all in English!

The printing of this flyer was financially supported by the German Academic Exchange Service (DAAD) with funds from the Federal Foreign Office (AA).
