

Basic Knowledge Third-Party Funds

When: Monday, 30.06.2025 | 2-3pm

Where: Online via MS Teams

Research is usually inevitably linked to the acquisition of third-party funding. But what opportunities exist? What are the special features, framework conditions and pitfalls? This event provides an initial overview of the German and European research landscape and imparts basic knowledge on third-party funding applications.

Agenda

02.00 – 02.05 pm	Welcome and presentation of the Research Management Division
02.05 – 02.20 pm	General Information
02.20 – 02.35 pm	The German Research Landscape
02.35 – 02.50 pm	The European Research Landscape
02.50 – 03.00 pm	Tips and Tricks

The event will take place online. More detailed information will be provided in good time before the event. It is meant for scientists with no or little experience in the acquisition of third-party funding.
