

# Good Scientific Practice

When: Wednesday, 29.10.2025 | 1-2 pm

Where: Online via MS Teams

---

During this event, we will give you an insight into the topic of "Good Scientific Practice." The event is aimed at all those involved in scientific work at Saarland University.

What is "good scientific practice" and why do I need it? How can I recognize and avoid scientific misconduct? What does an ombuds office do? What support does Saarland University offer?

We will answer all these questions in our presentation. We will use a short case study to illustrate the complexity of the topic.

---

The event will take place online. You will receive the access data in good time before the event.
