

Sequential number:

(to be completed by the Internationalization Unit)

**Please submit your application with a brief statement
from the Dean's office/Head of organizational unit to:**

International Relations Division

intfonds@uni-saarland.de

**Application for funding from
Saarland University's Internationalization Fund
Funding category 3: Call for Flagship Projects**

Ninth call for flagship projects focusing on:

- 1) Mobility windows and structured short-term mobilities for incoming and outgoing students and staff**
- 2) New curricular elements and learning activities taught in English or French**
- 3) International matchmaking and partnership-building activities**

1) General information:

Applicant details:

Form of address, title, first name, surname: _____

Institution/Unit/Faculty/Department: _____

Tel.: _____

Email: _____

Budgetary unit: _____

Which area does your project proposal best align with?

- ☐ Mobility windows and structured short-term mobilities for incoming and outgoing students and staff
- ☐ New curricular elements and learning activities taught in English or French
- ☐ International matchmaking and partnership-building activities

Title or short name of project: _____

Describe your project in one sentence:

Planned start (DD.MM.YYYY): _____

Planned end (DD.MM.YYYY): _____

Cooperation partners, if applicable: _____

MoU/cooperation agreement with Saarland University:

☐ yes

☐ no

If other funding has been requested or approved from another Saarland University fund (e.g. GradUS global, research fund, UniGR initial funding)

Fund: _____

Amount requested/approved: _____

applied for on (DD.MM.YYYY): _____

approved on (DD.MM.YYYY): _____

2) Project and objectives:

Description of the proposed project, timeline, intended target group and, where relevant, the academic disciplines associated with your project. (max. 2,000 characters)

How does the project strengthen Saarland University's internationalization strategy? If your project builds on experience already acquired with your potential cooperation partners, please provide details. (max. 1,000 characters)

What innovative effects can be expected over the medium/long term and how do you plan to measure these effects, including, if applicable, the involvement of partners from the Transform4Europe alliance or the University of the Greater Region? What options are there for ensuring longer-term activities can continue after funding from the International Fund has ended? Are there plans to acquire external funds? (max. 1,000 characters)

3) Funding plan:

Expenditure on...	Cost

Total project costs:		
of which the following amount is being sought from the Internationalization Fund: (please provide a breakdown into project and personnel costs for the duration of the project)		
Year 2025	Project costs:	
	Personnel costs:	
Year 2026	Project costs:	
	Personnel costs:	
Own contribution:		
External funds:		
Income (contributions from participants etc.):		
Other:		

Please note that the funds from the Internationalization Fund are budgetary funds and you must therefore comply with the guidelines issued by Saarland University's Accounting and Finance Division.
