Short description of the virtual component

An online session will take place on November 24, 2025 with a lecture that prepares participants for several subjects to be considered during the physical event, thereby supporting the knowledge acquisition throughout the conferenceWEEK sequence, which includes presentations, site visits, and workshops. The objective is to propose a set of intuitive and investigative methods to advance practical applications of the subjects.

Commitment

By digitally signing this document, the student, the Sending Institution and the Receiving Institution confirm that they approve the Learning Agreement and that they will comply with all the arrangements agreed by all parties. Sending and Receiving Institutions undertake to apply all the principles of the Erasmus Charter for Higher Education relating to mobility for studies (or the principles agreed in the Inter-Institutional Agreement for institutions located in Partner Countries). The Beneficiary Institution and the student should also commit to what is set out in the Erasmus+ grant agreement. The Receiving Institution confirms that the educational components listed are in line with its course catalogue and should be available to the student. The Sending Institution commits to recognise all the credits or equivalent units gained at the Receiving Institution for the successfully completed educational components and to count them towards the student's degree. The student and the Receiving Institution will communicate to the Sending Institution any problems or changes regarding the study programme, responsible persons and/or study period.
