List of courses available to Erasmus students at the Department of English at Saarland University

Availability and course registration

If you have any questions about the availability of courses, check back with the departmental Erasmus coordinator, Heike Mißler (h.missler@mx.uni-saarland.de), or with the respective lecturer. The level of English in all of our courses corresponds to level C1–C2 of the CEFR.

The course catalogue ("Vorlesungsverzeichnis") is usually online at least a month before the semester starts. You can find it here: https://www.lsf.uni-saarland.de/

You have to register for all of our courses on the same website ("Kurs belegen"). You need your "UdS-Kennung" (UdS login data) to register. If a course is already full, you can still attend the first session. In some cases, e.g., if other students have deregistered from the course, you may be allowed to stay.

Exams and exam registration

Usually, exams take place in the last week of term, but some exams (such as the Language in Use module exams [*Modulklausur*]) take place in the week after classes end. You have to register for some of our exams. Ask your lecturer at the beginning of the semester if you are not sure whether you have to register or not. Registration takes place online via the departmental website: https://www.uni-saarland.de/fachrichtung/anglistik/your-studies/exams-info/exams.html.

We offer the following types of courses:

- Einführungen (= introductory courses)
- Übungen (= tutorials)
