

Work experience placement

ETC International College in Bournemouth, UK, is offering a work experience placement in its marketing department in spring and summer 2013.

Who we are

ETC International College is a British Council accredited language school, offering General English as well as Specialist courses to juniors and adults in Bournemouth, UK. The college is based in the centre of Bournemouth, just a few hundred metres from the beach, very close to the main shopping area. In addition, you will be working for Athena Teacher Training, ETC's in-house sister company that offers TEFL qualifications.

What do we offer?

A lot of experience. You will work independently most of the time after a short period of induction at the beginning of your placement. But don't worry: if you need guidance at some point, your co-workers will be more than happy to help you.

A friendly and international environment. Students from all around the world come to study at ETC International College.

An opportunity to improve your level of English. You will work in a young and enthusiastic team of native speakers of English. If you are interested, we may be able to offer you free English lessons.

Your job

You will support the marketing department responsible for the business development of ETC and Athena Teacher Training. You will be in control of our various social network pages and help us with minor design jobs, creating newsletters for our international contacts, the distribution of marketing materials as well as general supportive actions.

We are looking for...

...somebody who has at least 3 months time and is motivated and keen to help us expanding our business. Of course, a high level of English is an advantage. You shouldn't be completely new to Microsoft Office as well as to social networks like Facebook, Twitter or Google+. Some experience in Adobe Photoshop or Indesign is a bonus, but not a necessity.

If you are interested in working at ETC, please email your application including your CV, any certificates that could be of interest and a short letter of motivation to marketing@etc-inter.net.

For more information on the school and/or Athena Teacher Training, please visit www.etc-inter.net or www.athena-teacher-training.co.uk.
