4th Teachers' Day: Grammar Rules?

Workshop Jürgen Wagner

Grammar Workout Studio

"Grammar Workout Studio" is the name of a web-based repository created by E-Learning specialist Jürgen Wagner (Landesinstitut für Pädagogik und Medien) on the occasion of this year's Teacher's Day in an effort to harness the potential of the Internet with respect to the teaching and learning of grammar. Thus our students are given an opportunity to practise grammar skills whenever they'd like to. This course - which is based on the Learning Management System (LMS) MOODLE - will be available free of charge for schools in Saarland and beyond.

Participants will receive the course as a ZIP-file which can easily be restored on their school's own MOODLE, the Virtual Learning Environment (VLE) the LPM is trying to implement at the moment.
