PsyHuman Summer School

The Psychological Humanities: Multidisciplinary Approaches to Well-being and Inclusion

19 - 30 June 2023

Rovereto (Trento), Italy

2-week multidisciplinary summer school exploring how the humanities and arts can complement clinical psychology and bio-medical sciences, in order to comprehend illness and trauma, to promote well-being, and to build affective communities.

TARGET

Senior undergraduate and graduate international students from any background related to psychology, the humanities, sociology, medical and health sciences, but not only!
Good level of English needed (B2).

SEMINARS AND WORKSHOPS

- the psychological humanities
- mindfulness and contemplative practices for well-being
- neuroaesthetics and the arts
- social robots and AI
- design for social inclusion
- love in the arts, activism and neuroscience
- gender non-conformity in sports
- inclusion and exclusion of LGBTQIA+ people
- sexuality and disability
- hunger, pain and other bodily states
- narrative medicine and narrative competence for well-being and affiliation
- madness in literature

SOME GOOD REASONS TO APPLY

- lectures, workshops, discussions
- 6 ECTS credits
- life skills (narrative competence, empathy, self-awareness and interpersonal relationship skills)
- multidisciplinary approach
- international networking
- chance to do extra work with tutoring
- social programme
- outdoor activities
- enjoy the beautiful environment of the Dolomites
