I hereby request for the exception of an external:

- Supervisor Second assessor (choose 1)
 Bachelor thesis Master thesis (choose 1)

As first assessor it is intended:

Please consider: an external supervisor can only be accepted as a second assessor for the bachelor/master thesis with a valid reason and only when a written request is filed. The second external supervisor should be associated with a university or applied university. Additionally, it can only be done in agreement with the professor from the respective subject. Therefore, it can only be done in special cases.
