Conclusion of the event

- ▶ The **PhD Students' Day** of the Faculty of Science and Technology is aimed at the doctoral students of all subjects of our faculty.
- ▶ The doctoral students can present their **PhD projects** with a poster to scientists of other working groups and exchange information with each other.
- ▶ Professors, scientific employees and interested students are also **cordially invited** for a personal and professional exchange.
- ▶ The event is rounded off by two **presentations** with research reference to MINT subjects.
- ▶ **Poster awards:** The best posters will be awarded based on the votes of the participants.
- ▶ **Registration for the poster presentation:**

- by email: dekanat-nt@uni-saarland.de

- please specify name, title of poster and working group

- **Deadline: 22 March 2024**
