

## Qualification agreement Graduate School of the Faculty of Natural Sciences and Technology

I hereby apply for admission to the Graduate School of the Faculty of Natural Sciences and Technology at Saarland University.

Name, first name:

Date of birth:

Work group:

E-Mail (UdS):

Current university degree:

The minimum time to attend the Graduate School of the Faculty NT is 12 months. Generally the application for admission to the Graduate School and for an entry into the doctorate list will be carried out at the same time.

The doctoral committee imposed on me further conditions for admission to the doctorate.<sup>1</sup>

Yes

No

### A Participation at lectures

The PhD student and the supervisor agree that during the participation in the Graduate School and the PhD studies the postgraduate will attend the following courses to the extent of 12 SWS.<sup>2</sup>

Course Nr.	Course name	Course type	SWS

<sup>1</sup> For doctoral candidates with a foreign degree and graduates from universities of applied sciences, the doctoral committee may request further conditions that are not part of the graduate school and thus must be provided in addition to the events within the framework of the graduate school.

<sup>2</sup> The courses may serve scientific training, e.g. the expansion of basic knowledge into another field of expertise. Furthermore, a methodological extension of the doctorate is possible, for example by attending courses on special measuring methods. Proven participation in specialization colloquia is also part of this block. In addition, up to 4 SWS of proven participation in courses can be included in this block as a lecturer or tutor.

**B Participation at GradUS courses or other advanced trainings**

The scope of the soft skill courses shall not be less than 2 and more than 6 SWS.

Course name	SWS

**C Active Participation at the PhD days**

Participation in at least one PhD student day of the faculty through an own poster presentation is obligatory.

**D A short stay abroad for research purposes**

The following stay abroad is planned:

University/ Institute/ Institution:

Semester:

**E Active participation at conferences and meetings**

The active participation at conferences and meetings (poster presentation, speech) can be proven individually.

---

**Participation in the graduate school ends with the doctorate and the awarding of a certificate, which lists the additionally acquired competences and documents the participation in the graduate school. For this, all relevant supporting documents must be submitted to the Dean's Office upon submission of the application for the opening of the doctoral procedure.**
