

My experience in

At a glance

Name	
Study cycle (undergraduate, graduate, doctoral studies)	
Subject(s)	
Host university or host company	
City, country	
Programme (Erasmus+, Eastern Partnerships, etc.)	
Length of stay	
My email address can be shared with students interested in knowing more.	
I have given written consent to publish my testimonial.	

How I prepared for my time abroad

(application, travel, travel documents, accommodation, etc.)

How I funded my time abroad

(Erasmus+ scholarship, PROMOS, DAAD scholarship, BAföG student loans, savings, etc.)

What my time abroad was like

(arrival, day-to-day routine, uni courses/duties as an intern, getting around, food)

Free time

(hobbies, social contacts, clubs, travelling, jobs, etc.)

Getting my internship/the credits I earned abroad recognized

(necessary steps for recognition, e.g. contacting the examination office, writing a report)

My experience in a nutshell

Testimonial for social media (optional)

My impression of life where I spent my time abroad:

Adventurous						Relaxing
Big city						Rural
Sunny						Snowy
Expensive						Budget friendly
Courses related to my subject of study						Gaining cultural and linguistic knowledge
English is enough						Learn the local language
Old campus						Modern campus
You need to do a lot on your own						You receive close mentorship
International contacts						Local friendships
