Your **NAME** must be spelled exactly the same way as it is on your passport. Be sure you use the same name every time you write it on official papers.

The State of Finances must be completed by the applicant himself/herself or by the person who is responsible for the applicant's financial support. For a privately supported applicant, it is usually one of the parents. For an applicant who is sponsored by his government or by a governmental or private organization, it must be the person recognized to be the head of the unit within the government or the organization responsible for the financial support of the applicant.

Upon the recommendation of the International Office at Saarbrücken, TOEFL and application fees are waived.

After the application is reviewed and the admission is granted, Hillsdale College will issue to you the United States Department of Justice Form DS-2019 (I-20). The Form DS-2019 (I-20) may be presented to the Embassy or the Consulate of the United States to obtain the student visa (F-1) and must be surrendered to the Immigration authorities at the port of entry into the United States.

When the admission is cancelled or postponed, either by the applicant or by Hillsdale College, the Form DS-2019 (I-20) must be returned immediately to the College.

Any misuse of the Form DS-2019 (I-20), such as entering the United States with the Form DS-2019 (I-20) issued by this institution and not arriving here, may involve a student in severe difficulties.
