

Meet&Greet

Everything but work

The program "Meet & Greet" is a series of cultural and social events for young scientists (doctoral and postdoctoral researchers) at Saarland University and adjacent research institutes. Our aim is to foster social connections between young researchers across all disciplines and countries.

Events

Information and welcome day, movie nights, local trips and Go-Kart are scheduled – all events are in English!

Format

Each event features a cultural highlight and an informal "Get Together" which provides the opportunity to meet new people in a friendly environment. Feel free to tag along in the company of your friends and interested guests.

Entrance fee Postdocs & PhD students:
free

Friends & guests:
cover their own costs

Drinks:
as cheap as possible (Student Style)
