Hiking tips

Hiking recommendations every week in Saarland!
Enjoy hiking during hard times and take fresh air.

18. „Traumschleife Vauban-Steig“

Discover the Saar region in a different way. The hiking path doesn't run over the heights of the Region between the Saarland and Lorraine but mostly over narrow forest paths through shady acacia woods. In the deep forest you will find the "Drei Kapuziner", a well-known Gallo-Roman stone relief, engraved in sandstone. The view from the Devil's Castle into the Saar Valley is magnificent.

Distance: 12.3 km
Duration: around 3.30 h
Difficulty: Medium

Still be cautious keep your distance. Corona is not over yet.
Stay healthy and keep calm.
