1. Sherry if we take enough of that sunscreen  
 2. along with us  
 3. and rub it on anywhere  
 4. it looks-  
 5. Brandon ((laughs)) it looks ridiculous.  
 6. Ned but it WORKS, [right?]  
 7. Brandon [huh huh] huh.  
 8. Ned and you stop looking ridiculous.  
 9. you look like

 12. Ned ((laughs))  
 13. hey (h)look (h)at the good  
 14. looking GUY completely covered ((laughing))  
 15. ((laughs))

 20. Ned ((laughs))  
 21. Brandon ((laughs))  
 22. look at that POOR man.

 32. guy says "I've the perfect suit for you."  
 33. he puts the PANTS on  
 34. he says  
 35. "one of these legs is four inches longer than  
 the other"  
 36. he says "that's okay  
 37. just hold it up like this when you walk  
 38. and he puts on the COAT  
 39. and the SLEEVES are too long  
 40. Ned I HAVE heard this joke  
 41. ((laughs))  
 42. Ned and Lydia ((laughing passim to end))  
 43. Brandon he says "tuck it under"  
 44. he takes it, goes out

45. "hey POOR man  
46. but what a NICE SUIT"  
47. Ned ((laughs))  
48. I've heard that joke before but  
49. I've never heard it done like THAT.  
50. Frank I didn't hear a word of it.  
51. I don't know wh-  
52. Ned ((laughs)) it doesn't matter.  
53. it's a GREAT joke  
54. ah  
55. ah  
56. Lydia I think you and Dad should take baths toNIGHT  
57. and let those OTher people  
58. take showers in the morning  
59. Ned together  
60. very very g-  
61. y'know good joke.  
62. Brandon it's one of the great ones.  
63. Ned it's right up there with (1)  
64. Sherry did he tell you his Harvard joke?  
65. Brandon oh yeah  
66. that's a good joke  
67. Ned you can't tell that HERE.  
68. Brandon no  
69. this one's-  
70. Ned oh  
71. DIFFerent Harvard joke  
72. Brandon this one's fine.  
73. Ned ((laughs))  
74. I only know two  
75. and they're both dirty.  
76. Sherry this isn't  
77. Brandon this is a pretty good one.  
78. uh Oregon-  
79. Oregon boy goes to HARvard  
80. and he's just a young kid y'know?  
81. ready to start his freshman year  
82. and he's kind of intimidated  
83. he goes out into Harvard YARD  
84. for the first time  
85. and his instructions are  
86. that he's supposed to meet at the library  
87. at such and such time  
88. and he's looking around the yard  
89. and there's ALL the ivy-covered buildings  
90. and they all look the same to him  
91. and he sees a guy walking the other direction  
92. and he's a slightly older guy  
93. with a BIG Harvard letter sweater on  
94. obviously a Harvard student.  
95. so he goes up to the fellow and says  
96. "can you tell me where the library's at?"

97. and the fellow looks at him and says  
 98. (4) "I am a HARvard student  
 99. we're standing here in the HARvard Yard  
 100. I assume at some point in your life  
 101. you're going to be a Harvard student too  
 102. and the first thing you should KNOW  
 103. is that no HARvard student  
 104. ends his sentences with a preposition.  
 105. so NO  
 106. I do NOT know where the library's AT.  
 107. Lydia ((laughs)) [isn't that cute?]  
 108. Frank [((laughs))]  
 109. Brandon and the fellow thinks for a second  
 110. and he says  
 111. (1) "okay  
 112. uh can you tell me where the library's at  
 113. ASShole." ((sniffs))  
 114. Frank oh. ((laughs))  
 115. Ned see [I view that as dirty]  
 116. Brandon [((laughs))]  
 117. Ned and I know that I'm a prude  
 118. about these things  
 119. but still  
 120. I think it's something about the last WORD  
 121. Brandon sorry  
 122. Ned it IS the joke I know.  
 123. it's okay.  
 124. it's a pretty good JOKE.  
 125. Lydia it's a FUNNY joke  
 126. Frank it doesn't end in a preposition  
 127. Ned no.  
 128. Sherry ((laughs))  
 129. Frank he accomplished his goal.  
 130. Lydia it's very funny  
 131. Ned oh it all WORKS  
 132. I was just kind of surprised  
 133. that it ended up being the same joke I knew.  
 134. Brandon then there's the other one where-  
 135. Ned which I viewed as dirty  
 136. whereas yours of course ISn't  
 137. Brandon no  
 138. see when I-  
 139. Ned nothing dirty about assholes  
 140. Brandon think of dirty  
 141. I think of scatological  
 142. not just the fact that there happens to-  
 143. Ned nothing scatological about assholes, no.  
 144. Brandon to be a four-letter word in it.  
 145. Frank ((laughs))  
 146. Ned ((laughs))  
 147. what could be scatological about an asshole?  
 148. Brandon well I think of that word

149. in a more generic sense.  
 150. Ned ahha  
 151. Lydia so, what's the other one?  
 152. Brandon anOTHER one there's [two guys on the plane.]  
 153. Ned [I don't think I get it.] ((laughs))  
 154. Brandon and they're talking for a little while  
 155. and finally  
 156. the one guy turns to the other one and says  
 157. "You're a Harvard grad aren't you?"  
 158. and the other fellow says "Yeah.  
 159. as a matter of fact I AM.  
 160. how'd you know?"  
 161. and he says  
 162. "there was a certain something  
 163. about the cut of your clothes  
 164. the aire that you carried yourself with.  
 165. just sort of the savoir faire that you had.  
 166. I just knew that you were from Harvard."  
 167. guy says,  
 168. "you know  
 169. that's very observant of you.  
 170. Particularly for a University of Georgia  
 grad."  
 171. Lydia [((laughs))]  
 172. Frank [((laughs))]  
 173. Ned ((laughs))  
 174. Brandon and the fellow says  
 175. "how did you know I was from the University of  
 GEORGIA."  
 176. and he says  
 177. "aw, I noticed your class ring  
 178. when you were picking your NOSE."  
 179. Ned [((laughs))]  
 180. Lydia [eh aw.]  
 181. Frank [((laughs))]  
 182. Lydia isn't that TERRible.  
 183. oh that's ugly.  
 184. Frank [((laughs))]  
 185. Brandon [((laughs))]  
 186. Lydia now see  
 187. I think that's a worse joke-  
 188. Brandon I think that's a much dirtier joke personally.  
 189. Lydia than the one with the dirty WORD.  
 190. because it's Ugly, y'know  
 191. it's low CLASS  
 192. compared with the other.

**Alabama football player**

1. Joyce        yeah, but
2.                but Auburn is like this big football game.
3.                Alabama Auburn
4.                University of Alabama always like
5.                telling jokes about how dumb Auburn football  
                  players are.
6.                so the coaches came up to the teacher and say
7.                "Well you know
8.                we need Bubba"
9.                you know
10.               it always has to be a Bubba in the South
11.               "we need Bubba to play this winning game."
12.               so he said
13.               "but he is failing his class."
14.               he just said "well, okay
15.               we'll give him an oral exam
16.               with just three question
17.               and then he can pass them
18.               and it'll be simple enough
19.               and he can play in the game
20.               and we can win the game."
21.               so the first question they gave him was
22.               "well Bubba,
23.               how many seconds are there in a year?"
24.               and Bubba was just calculating on his fingers.
25.               and everything and found out
26.               and said "twelve."
27.               geez, how do you get twelve seconds in a year
28.               he said the second of January,
29.               the second of February
30.               the second of- ((laughing))
31.               ((general laughter))
32.               he said "okay,
33.               maybe this was a little bit too hard for you.
34.               here's another one
35.               how many letters
36.               how many, sorry, days in a week
37.               begin with the letter T.
38.               so he, he thought a long time this time
39.               then he said "four."
40.               they said "how do you get four?"
41.               he said "well,
42.               there is Tuesday, Thursday, today and  
                  tomorrow"
43.               ((general laughter))
44.               so then he said
45.               "okay
46.               this one you can get.
47.               how many letters are there in Dixie
48.               that begins with a D?"

49. and he thought and he thought  
50. he said "a hundred and seventy two."  
51. he said "how do you get that?"  
52. he said "count them  
53. de, de, de, de, de, de, de, de, de, de, dee"  
((sung to the tune of Dixie, counting on  
fingers))  
54. ((general laughter))

**Alligator joke**

1. Joyce we told this on the way coming through  
2. from the airport  
3. I don't know how we did get on this  
4. but we did  
5. anyway,  
6. this man saw this guy  
7. with some alligator shoes on  
8. and this is down in New Orleans  
9. we sometimes lovingly refer to it as Nawlins  
10. and so he said  
11. "whoowee  
12. where did you get the alligator shoes, boy?"  
13. and he said "well  
14. you just go down by the river, y'know  
15. go over yonder across the creek  
16. and you go down about as far as the crow flies  
17. and then you go back across the creek  
18. and you'll find this alligator down there."  
19. so he went on down to the creek  
20. and he found sure enough  
21. he found an alligator  
22. and he went in the water  
23. and he WRASSled him to the left  
24. and he WRASSled him to the right  
25. and he WRASSled him to the left  
26. and then he still came back  
27. and didn't have any shoes.  
28. so he asked  
29. so he asked the guy again  
30. he said "I thought you were down there  
31. so can get some alligator shoes."  
32. he said "I did" he said.  
33. "I wrestled him to the right  
34. and I wrestled him to the left  
35. and I wrestled him back to the right  
36. and he wrestled me to the left  
37. and he wrestled me to the right  
38. and I looked down  
39. and I didn't see no shoes on that alligator."  
40. ((general laughter))  
41. isn't it good? ((laughing))

**Alzheimer**

1. Tom but that doesn't mean  
2. that people don't make cancer jokes  
3. I mean there's the cancer  
4. and and Alzheimer are the big two, right?  
5. and eh  
6. Claire I've never heard any of the cancer  
7. sort of jokes  
8. Tom this guy goes to the doctor  
9. doctor tests him and says  
10. I have really bad news for you  
11. you got two diseases."  
12. and the guy said "OH WHY  
13. well tell me  
14. God give 'em to me in in in reverse order."  
15. and the doctor says "well eh  
16. you got cancer"  
17. the guy says  
18. "ouh, what could be worse than that?"  
19. the doctor said  
20. "oh, you also have Alzheimer."  
21. the guy says ((whistle sound))  
22. "at least it isn't cancer."

## Car Door

1. Claire the one, this one,  
 2. I don't know if it's thr...  
 3. I don't know if it's thr...  
 4. it was.  
 5. you might have heard it.  
 6. it's three guys,  
 7. get trapped on the desert.  
 8. Tom that's good.  
 9. Claire okay, ...  
 10. Peg I don't know.  
 11. Claire you don't?  
 12. All ((general laughter.))  
 13. Tom nobody knows.  
 14. Claire okay. three guys ...  
 15. three guys get trapped on the, on the-  
 16. now you know what we do in Alabama  
 17. sitting on the front porch,  
 18. swap flowers and tell jokes - ...  
 19. three guys get trapped on the desert  
 20. and so they say  
 21. and in, and in their car  
 22. and so they say  
 23. 'well, we can't sit here.  
 24. we have to go  
 25. and get food and shelter and whatever,  
 26. or we die out here.  
 27. so, one guy  
 28. they say "everybody takes something that they  
 need."  
 29. one guy takes a canteen  
 30. with a little water still (in) there  
 31. one guy takes a blanket.  
 32. and the other guy takes the door of the car.  
 33. you've heard this?  
 34. Peg the door of the car?  
 35. Tom door.  
 36. Claire the door of the car., ,.:,.  
 37. so anyway, they walked of long while  
 38. and the guy  
 39. the first guy says:  
 40. 'why did you take the ..?  
 41. well, I took the canteen  
 42. 'cause we'll have a little o'water  
 43. and we have to do a ( )  
 44. but it will get us to the next point  
 45. and the other guy said  
 46. 'well, I brought this blanket  
 47. because it get cold on the desert at the night  
 48. in case we get cold we have the blanket  
 49. and they said:

50. 'why did you bring the door?'
51. he said I brought the door in case it get hot
52. we could roll down the window!'
53. All ((Delayed laughter))

## Drunken Irishmen

1. Robert     maybe you don't ever laugh at jokes
2. Grant     don you-
3.            have you heard the drunken Irishman one
4.            [that's making the rounds lately]
5. Ginger    [I don't , actually I don't]
6.            no.
7. Grant     okay
8.            it's a TWO drunken Irishmen
9.            maybe maybe you know it now?
10. Ginger   no
11.           okay, so
12.           guy walks into a bar
13.           there's there's a a drunken Irishmen
14.           sitting at the bar
15.           and another Irishman walks into the bar
16.           and he is like
17.           "oh.
18.           h- how do you do?"
19.           and the guy says
20.           I'm doing just fine."
21.           and so he says
22.           "well, let's have a drink."
23.           and then
24.           so they have a drink
25.           and then eh ((laughs)) he says
26.           "well, where are you from?"
27.           and he goes
28.           "I'm from Dublin"
29.           he goes
30.           "well, I imagine that
31.           I'm from Dublin as well."
32.           so they have another drink
33.           and then he says
34.           "oh I'm from-
35.           eh I went to St. Mary's down in"
36.           and he- he gives a street address
37.           and then so like
38.           "what a coincidence
39.           this is so odd
40.           I went there too"
41.           and they have another drink
42.           "so let's let's drink to St. Mary's"
43.           and they have another drink
44.           and then the guy says
45.           "well, what year did you graduate?"
46.           he says "well,
47.           I graduated back in seventy two."
48.           and he goes
49.           "now this is getting downright perplexed
50.           because I graduated from seven-

Kommentar [HH1]: could that be „uh“?

Kommentar [HH2]: uh?

Kommentar [HH3]: uh?

51. in seventy two just as well."  
52. and so they were like  
53. "let's have another drink."  
54. so they have another drink  
55. and another guy walks into the bar  
56. goes there to the bartender and asks  
57. "what's up?"  
58. and he says  
59. "oh nothing.  
60. just the O'Malley twins getting drunk again."

10. ((laughter))  
11. and the man who works there say-  
12. looks at him kind of strange and says  
13. "are you sure you don't mean two by fours?"  
14. and he says  
15. "I don't know  
16. let me check."  
17. he goes out of the store  
18. across the parking lot to his car  
19. where his buddies are parking the car  
20. they roll down the window  
21. he converses with them for a moment  
22. goes back to the store and says  
23. "you were right  
24. I need some two by fours."  
25. and the man who works there says  
26. "well, how long do you need them?"  
27. he says "just wait a moment  
28. I'll check."  
29. he goes out to the car  
30. converses again  
31. comes back and he goes  
32. "a long time  
33. we're building a house."

35. come on  
36. that's so cool.  
37. Robert sorry  
38. Ginger I read it in a book

5.                   starts hearing these very nice things said  
                      about him?  
6. Claire           I don't know.  
7. Larry            who told me that?  
8. Claire           what were the nice things?  
9. Larry            guy's standing there at the bar  
10.                   and he-  
11.                   and this VOICE says  
12.                   "gee, you're such good-looking guy."  
13.                   and he looks around  
14.                   and there's nobody there  
15.                   turns back around  
16.                   and he hears the same voice say  
17.                   "y'know I just think you're a really good  
                      person."  
18.                   ((several listeners giggle))  
19.                   y'know he keeps looking around  
20.                   he can't see anybody talking  
21.                   and it keeps happening  
22.                   and he finally says to the bartender  
23.                   he says "what's what's going on here?  
24.                   I keep hearing all these-  
25.                   and I look up-"  
26.                   and the bartender says
