

## Jokes: Harry, James, William

The boys are talking about sports. After a short pause, Harry starts to tell a joke.

1 Harry (L. Christie) goes to a golf club,  
2 and a-  
3 a man at the reception,  
4 looking a bit embarrassed,  
5 says "sorry sir, we don't have Black people in  
6 here.  
7 there is another club ten minutes down the road,  
8 that might help."  
9 then (L. Christie) says "I'm (L. Christie)"  
10 "all right then clever cunt three minutes down the  
11 road, now bugger off."  
12 James ((laughs))  
13 it's so funny.  
14 Will it was funny the first time I heard it.  
15 ...

16 Harry an Indian, a Paki and a Jamaican were all in a  
17 maternity ward.  
18 Will ((laughs))  
19 Harry when the nurse said "I'm sorry about-  
20 sorry, but we mixed up your babies  
21 and you going to have to pick yours out."  
22 so the Indian walks over and picks the Black baby.  
23 at this point the Jamaican says "that's clearly my  
24 baby."  
25 ((laughter))  
26 to which the Indian replies "look mate, one of  
27 those other two is a (bloody Paki).  
28 ((laughter))  
29 I'm not willing to take the chance, are you?"  
30 Will oh my goodness.  
31 James I got a proper racist joke,  
32 but I don't know if I should say it.  
33 Harry that's culture,  
34 that's how we talk.  
35 ..  
36 is it not?  
37 Will yeah.  
38 James I don't know if you heard this.  
39 Harry perhaps.  
40 start the joke.  
41 James there's this Back guy, innit.  
42 and he can't stop running.  
43 everywhere he goes, he's running.  
44 he's just running on the spot,  
45 when he's-

40 when he tries to stand still.  
41 then he goes to a doctor.  
42 and he goes "doctor, doctor I've got a problem,  
innit."  
43 he goes "I can't stop running."  
44 the doctor goes "oh okay, I got a solution for  
that."  
45 so he goes into his drawer,  
46 and he pulls out a packet of white powder.  
47 he lies it up on the table.  
48 then he goes to the Black guy "sniff this.",  
49 right.  
50 the Black does it.  
51 he sniffs it.  
52 and then uhm,  
53 he stops running.  
54 he goes "oh doctor, it's a miracle.  
55 what is it?  
56 can I get it on prescription?"  
57 the doctor goes "it's none of that,"  
58 right,  
59 "it's washing powder."  
60 "washing powder?"  
61 "yeah, it stops colours from running."  
62 Harry oh yeah, I've heard that before.
