UNIVERSITÄT DES SAARLANDES

TIM Lehrstuhl für Betriebswirtschaftslehre, insbesondere Technologie- und Innovationsmanagement

CURRICULUM VITAE

Norman Harig, M.Sc.

Norman Harig studied Business Administration at Trier University. During his bachelor's studies, he spent a semester abroad at BI Norwegian Business School in Oslo, Norway. He subsequently completed a Master of Management with a specialisation in Entrepreneurship at the University of Mannheim. His master's thesis examined pricing by entrepreneurs in the creative industries.
Norman Harig gained practical experience through various roles in auditing, consulting and financial services. These included internships in Audit and Consulting at PwC and in Wealth Management at Deutsche Bank. He has also engaged in entrepreneurial activities through various forms of self-employment.
Since June 2026, he has been a research associate at the Chair of Technology and Innovation Management.
