Yours and ours.*

About Us

SLAM Lux is a local center of competence for fund setup and management in which our four persons team is embedded. We are actively involved in the set-up and structuring of investment funds and take care for an optimised structuring from a tax point of view across various jurisdictions. Further, we administer such funds to cover the day-to-day tax compliance requirements. We interact closely with investment advisors across various jurisdictions and regularly collaborate with various other in-house departments.

Your area of responsibility

To support our daily business, we created the Internship position. We offer you the opportunity to gain professional experience during your studies and have insights into tax-related tasks of a pan-European Asset Manager. Your responsibilities will be the following:

- Support our tax team with ongoing administrative tax tasks
- Support as regards structuring and optimisation of investments
- Interaction with internal and external parties such as advisors or other external service providers
- Review tax returns (corporate tax and value added tax) and further tax compliance materials (e.g. FATCA/CRS)
- Be part of the implementation and administration of new tax processes due to current regulatory developments (e.g. DAC 6, ATAD II, CFC, German RETT Reform etc.)

Your Profile

- Ongoing studies in Business Administration or Law, with specialisation in tax
- First working experiences in a related field are an advantage
- Knowledge of the regulatory and tax environment of Luxembourg are an advantage
- Proficient in MS Office (Word, Power Point, and Excel)
- Fluent in English and/or German
