

## Quote of the day:

*"We are very cruelly trapped between what we would like to be and what we actually are. And we cannot possibly become what we would like to be until we are willing to ask ourselves just why the lives we lead (...) are mainly so empty, so tame, and so ugly. (...) Not everything that is faced can be changed, but nothing can be changed until it is faced."*

(James Baldwin, *The Cross of Redemption*. New York: Pantheon 2010)
