

Dear students of Saarland's higher education institutions,

Vaccinations against COVID-19 play an important role in helping control the coronavirus pandemic. Here you find the most important information on how and where students can get vaccinated at the Saarland vaccination centres.

How can I book my vaccination appointments?

You can now book your vaccination appointment online at www.impfen-saarland.de or via the hotline 0049 681 501 4422.

Who can get a COVID-19 vaccination?

The COVID-19 vaccination is available to all students entitled to a vaccination in Germany. This means that you must have permanent residence resp. a domicile in Germany, or statutory resp. private health insurance in Germany.

Where can I get my COVID-19 vaccination?

Due to its proximity to the htw saar and the convenient public transit connections to Saarland University, registration at the 'Impfzentrum Süd' in Saarbrücken is the ideal option for all students of Saarland's higher education institutions. From the end of September until the beginning of October, the vaccination centre will primarily remain open for students.

However, you can also book an appointment at the Saarland vaccination centres in Neunkirchen and Saarlouis or the vaccination centre in Lebach which is operated by the Bundeswehr.

When can I expect to get an appointment?

Vaccination appointments can be booked according to availability, i.e. your first appointment could be as early as next week or as late as next month. The months of August, September and the first two weeks in October are specifically blocked for student vaccinations.

What documents do I need to bring to my vaccination appointment?

- Your identity card or another personal identification document
- Student ID card, if applicable
- Vaccination record (*Impfpass*, if available)
- Health insurance card (if available)

Which vaccine will I get?

The BioNTech and Moderna mRNA vaccines are the only vaccines used in the Saarland vaccination centres.

Where can I find more information?

For more information, please refer to our FAQs on the Saarland vaccination strategy:
www.impfen.saarland.de

We hope to see you soon at one of our vaccination centres.

Further information is available at www.corona.saarland.de

How do I get to the 'Impfzentrum Süd' vaccination centre in Saarbrücken?
