

Student Information System for Saarland

Application Guide for Summer Semester 2020

Key information at a glance:

Access to SIM for students at Saarland University <https://sim.uni-saarland.de>
for new applicants via <https://sim.uni-saarland.de/bewerbung>

Always exit the SIM application portal using the **Logoff button** 

Appendix 4.1: overview of the types of academic programme available and the associated subject areas

Using the application interface: **Navigate** to the different sections using the navigation menu on the left side of the window; **mandatory fields** are indicated by a red asterisk (e.g. ***Surname**); to see **help texts** click on the  symbol; to save your draft application, click on 

Information on the application procedure: www.uni-saarland.de/bewerbung

Send questions to: anmeldung@uni-saarland.de

Please state your first name, surname, date of birth and your UdS ID code (if you are already enrolled as a student at Saarland University) or your SIM application portal username (if you are a new applicant who has registered with SIM).

1. Registering with the SIM application portal

Please follow the instructions in the section relevant to you:

- If you are already enrolled as a student at Saarland University: Section 1.1
- If you have not yet enrolled as a student at Saarland University and you are not yet registered in SIM: Section 0
- If you have not yet enrolled as a student at Saarland University, but you are already registered in SIM and have already submitted an application: Section 1.3

1.1 I am already enrolled as a student at Saarland University

Please use your existing user account, which you can access here: <https://sim.uni-saarland.de>

UdS Kennung

Passwort

Login nicht merken

Vormalis erteilte Erlaubnis, Daten weiterzuleiten, widerrufen

Login

Please enter your UdS ID code and your password. Then click on **Login**.

Click on .

1.2 I have not yet enrolled as a student at Saarland University and I am not yet registered in SIM

Please register using the following link:

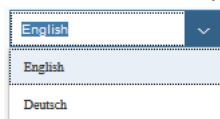

<https://sim.uni-saarland.de/bewerbung>

We recommend using the latest version of Mozilla Firefox or Google Chrome as your browser.

Switch language by clicking on  and then

Choose 'English' from the drop-down menu

and then click 

Click on 

Enter the required data when prompted.

Please note: Please enter an email address that you can access reliably at all times over the entire application period.

Click on [Submit](#).

UNIVERSITÄT DES SAARLANDES

Enter your information to sign up for an account

First Name

Last Name

Date of Birth

E-mail

Enter password

Repeat Password

Submit

Cancel

After a few minutes you should receive an automatic verification email at the email address you specified. The email will ask you to use your existing login ID or to log in using the username specified in the email.

Note: If you have not received the verification email after 15 minutes, please check your email spam folder.

After receiving the verification email, you have 24 hours in which to click on the link in the email, enter your username and password and then click on [Log In](#) to activate your user account. If you do not activate your account within 24 hours, you will

need to go through the [Create account](#) process from the start.

1.3 I am not yet enrolled as a student at Saarland University, but I have registered with SIM and have already submitted an application

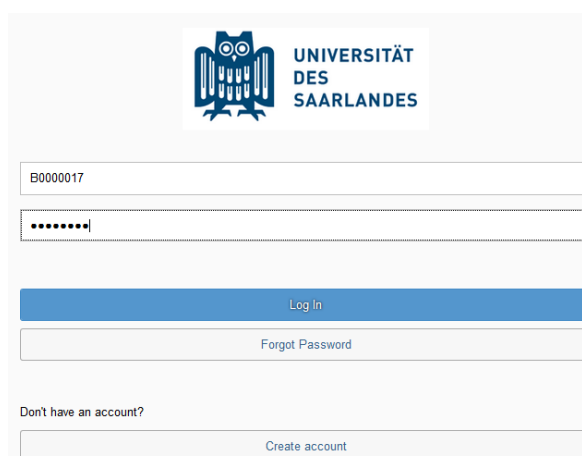

Please use your existing user account, which you can access here:

<https://sim.uni-saarland.de/bewerbung>

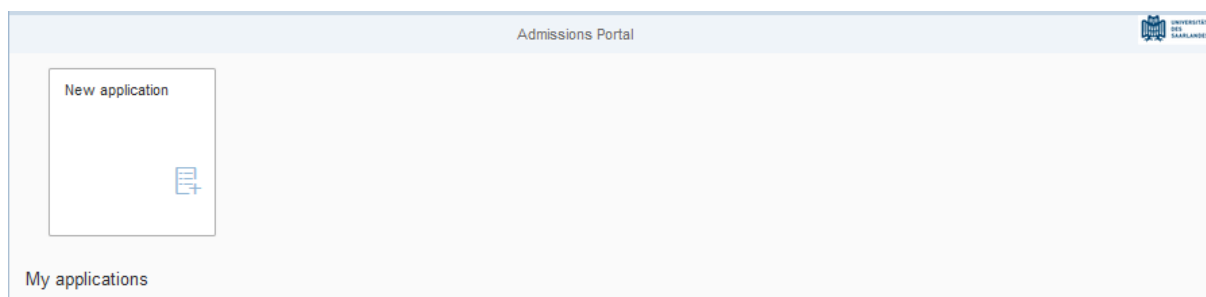

Log in with your username (e.g. B0000xx) and your password. Click on **Log In**.

If you have forgotten your password, please click on the **Forgot Password** button.

Please note: If the window does **not** appear as shown here, please clear your browser cache using CTRL+F5 and restart the browser.

2. I would like to apply for a place on a degree programme

To create a new application, click on **New application**.

Note: Applications that you have already submitted can be found under **My applications**.

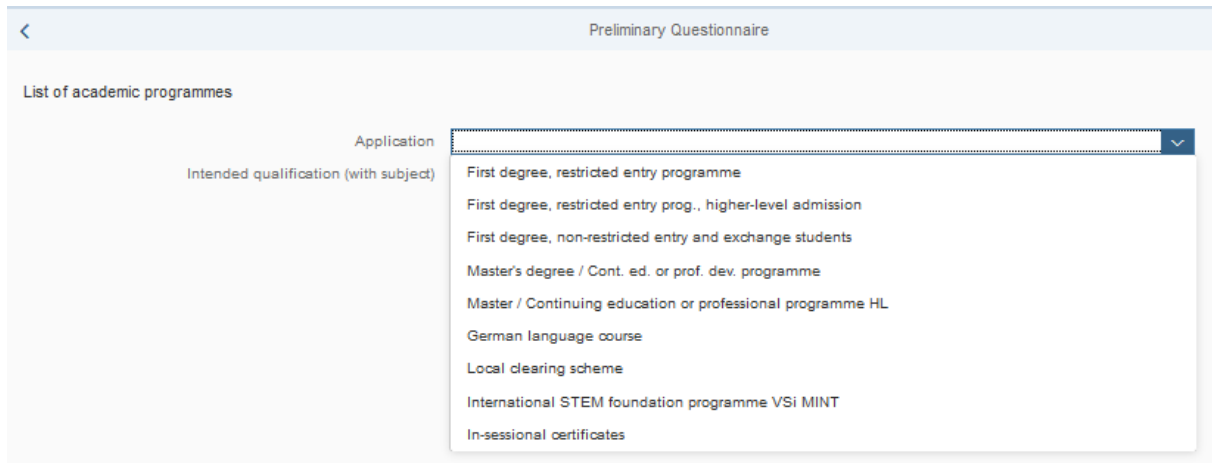

Note: Always exit the SIM application portal using **the Logoff button**. 

2.1 Preliminary Questionnaire

Choose the degree programme and subject area you wish to apply for.

Note: Appendix 4.1 provides an overview of the types of academic programme available and the associated subject areas.

Application:

Preliminary Questionnaire

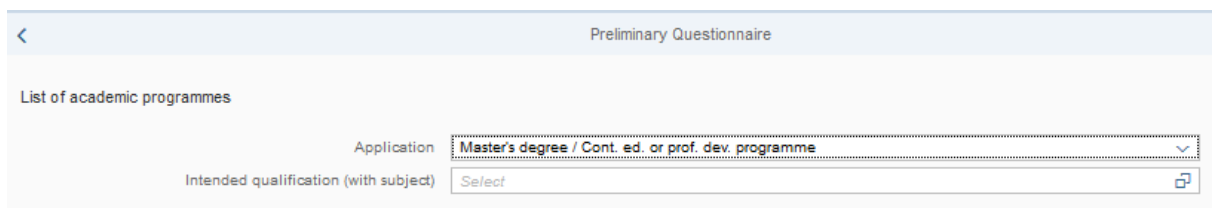

List of academic programmes

Application

Intended qualification (with subject)

- First degree, restricted entry programme
- First degree, restricted entry prog., higher-level admission
- First degree, non-restricted entry and exchange students
- Master's degree / Cont. ed. or prof. dev. programme
- Master / Continuing education or professional programme HL
- German language course
- Local clearing scheme
- International STEM foundation programme VSi MINT
- In-session certificates

Intended qualification:

Preliminary Questionnaire

List of academic programmes

Application

Intended qualification (with subject)

Master's degree / Cont. ed. or prof. dev. programme

Select

Depending on the programme and subject chosen, you may be asked to provide additional information.

Please click on [Apply](#).

Note:

- Select the individual sections of the navigation bar on the left of the window and enter the required information. Depending on the particular degree programme and subject chosen, the precise appearance of the application form may differ from the screenshots shown in this user guide.
- **Mandatory fields** are indicated by a red asterisk (e.g. *Surname).
- To see **help texts** click on the  symbol.
- To save your draft application, click on [Save and Return](#).
- To submit your application, click on [Submit](#).
