2.1 Semester-specific documents

2.1.1 Certificate of enrolment

Once you have re-registered, you will be able to access your certificate of enrolment.

| Semester | Course of study | Type of certificate | Subject | Semester | 12" | 12" | Reg. Type | Notes | Type |
|---|-------------------|--------------------------|--------------------------|----------|-----|-----|-----------|-----------|-------------------------------------|
| Summer semester (01.04.2020-30.09.2020) | B.Sc. Informatics | Certificate of enrolment | B.Sc. Informatics (2019) | A | 120 | A | 01 | Full-time | Certificate issued during programme |
| Summer semester (01.04.2020-30.09.2020) | B.Sc. Informatics | Certificate of enrolment | B.Sc. Informatics (2019) | A | 120 | B | 01 | Full-time | Certificate issued during programme |

The certificate of enrolment also shows whether you took leave of absence in that particular semester or whether you were studying as a part-time student at that time.

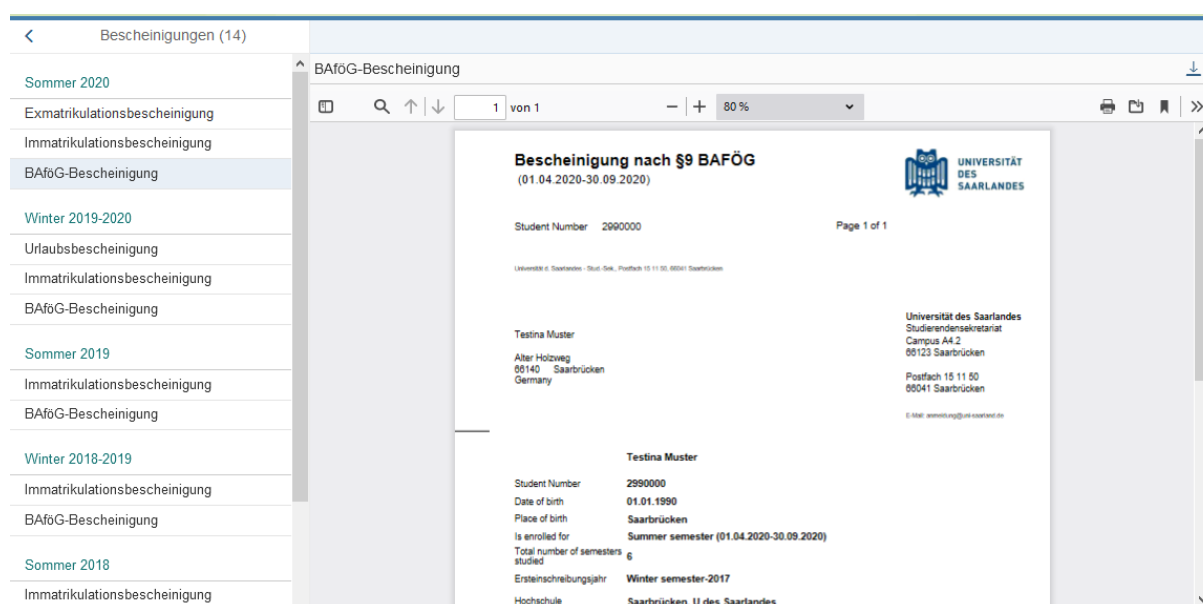

Notes:

Please be aware that every subject that you study and/or every area of specialization that you formally select as part of your degree programme will be listed on a separate line on your enrolment certificate.

Re-registration typically occurs a few days after the correct payment of your semester fee has been received, provided that your re-registration has not been blocked. Re-registration may be blocked if you do not have health insurance cover, you have lost the right of examination or you have failed to submit your Bachelor's degree certificate.

2.1.2 Confirmation of student status (BAföG)

In order to continue receiving financial support from the federal BAFöG programme, you must verify that you are attending Saarland University. This confirmation document ('*Bescheinigung nach § 9 BAFöG*') can be downloaded from the SIM student web portal and submitted to the BAFöG office instead of completing BAFöG Form 02 ('*BAföG Formblatt 02*').

The screenshot shows a web interface for downloading a BAFöG certificate. On the left, a sidebar lists various certificate types under different semesters. The main area displays a PDF document titled "Bescheinigung nach §9 BAFÖG (01.04.2020-30.09.2020)". The document includes the following information:

2.1.4 Proof of payment

Once you have re-registered, you can download proof of payment for that semester. (This service was introduced in the summer semester of 2020). You can present this proof-of-payment document (in German) to the German tax authorities.

The screenshot shows a web interface with a sidebar menu on the left containing various document types like 'Sommer 2021', 'Winter 2020-2021', etc. The main content area displays a 'Zahlungsnachweis' document. The document header includes the university logo and name. The body contains student information and a table of fees:

| Item | Amount (EUR) |
|------------------------------|---------------|
| General Students' Committee | 16.00 |
| Saarland Student Service fee | 96.70 |
| Insurance | 1.30 |
| Travel ticket | 124.00 |
| Semester fee (total) | 238.00 |

Notes:

If after downloading this proof-of-payment document, you applied for and were granted a partial reimbursement of your semester fee, you must download the updated version of this document and present this updated version to the German tax office.

The option to download an official proof-of-payment document from the SIM student web portal was introduced in the summer semester of 2020. A proof-of-payment document for the winter semester 2019/2020 can only be downloaded from the SIM student web portal, if you applied late in that semester to have your semester fee adjusted (e.g. you requested leave of absence or applied to have your enrolment category changed). For all earlier semesters (and for WS 2019/2020 if the exceptional case detailed above does not apply), proof that the semester fee was paid will need to be downloaded from the LSF portal at www.lsf.uni-saarland.de -> *Administration*.

Important note: Once you have de-registered from the university, you only have a limited period in which you can continue to use your HIZ/UdS ID code and access the SIM student web portal. We therefore recommend that you download your de-registration certificate immediately after completing the de-registration process. Please also download your **student enrolment record** and keep it safe, as you may need to provide this information at some later point to a pension insurance fund. [Please also save the German language version of your student enrolment record in case you remain in Germany and need to present this information to the German pension insurance scheme (*Deutsche Rentenversicherung*).]

2.2 Student enrolment record

The student enrolment record lists all of the semesters in which you were enrolled as a student at Saarland University.

Note: The student enrolment record is an important document that you may need to present to a pension insurance fund after graduating.

The screenshot shows a web interface for the 'Student enrolment record'. At the top, there is a navigation bar with 'Auswahl' and 'nach Semestern > Studienverlaufsbescheinigung'. Below this, there are search and navigation icons, and a page indicator '1 von 1' with a zoom level of '70%'. The main content area is titled 'Student enrolment record' and includes the following information:

- Student Number: 2990000
- Page 1 of 1
- Universität des Saarlandes (Logo and name)
- Testina Muster (Name)
- Address: Alter Hölzweg 66140 Saarbrücken, Germany

Note: As you will only be able to use your HIZ/UdS ID code and/or access the SIM student web portal for a limited period after you stop studying at Saarland University, please download all relevant study-related documentation and certification, but particularly your **student enrolment record**, immediately after de-registering. Please keep these documents in a safe place **as you may need to provide information on your higher education history to a pension insurance fund**. [Note: If you remain in Germany you may need to present the German-language version of these documents.]
