Scholarship Announcement

2 Scholarships for the MBA Programmes „European Management“ or “Entrepreneurship & Innovation from winter term 2026/27

„Postgraduate continued education for scientific female staff at Saarland University“

Target Group:
2 scholarships are offered to female doctoral candidates and female post-doctoral fellows who are looking to gain a leading position in an international company or become start-up or innovation experts after their employment at Saarland University.

The MBA Programmes:
The MBA **“European Management”** trains executives for leading positions on the international labour market. A European perspective and focus on “Behavioural Management” are central. The MBA qualification can be obtained whilst working, within a period of up to a maximum of four years.
The MBA **“Entrepreneurship & Innovation”** is tailor-made for those interested in setting up a business, driving innovation projects forward or taking on entrepreneurial responsibility within organisations. The programme can only be studied in full time (1year).

Both MBAs at a glance:

- 15 English-language block courses on management fundamentals and specialized modules tailored to each student’s area of focus
- Renowned faculty from academia and industry, and a highly international student body
- Academically rigorous, strong focus on practical application and real-world relevance, featuring case studies, field trips, excursions, and International Weeks
