- Completed scientific university studies in biophysics, physics, engineering, biology, human or veterinary medicine or related areas

**The successful candidate will also be expected to:**
- High degree of independence, commitment to science, initiative
- Experience in optics or imaging
- Manual dexterity, e.g., for implanting the microendoscope

---

\(^{1}\) TV-L = collective agreement on remuneration of public sector employees in the German Länder

The pay grade assigned to an employee depends on their professional qualifications and the number of years of service. Each pay grade is further subdivided into levels. Entry-level employees with no previous experience will initially be assigned a level 1 rating. After one year at level 1 of the E10 pay grade, an employee will move up to level 2. After a further two years, the employee will move to level 3, etc.
• Knowledge of Matlab or another programming language
• Good English skills

What we can offer you:
• A PhD in a modern field of biophysics
• An interdisciplinary and international team
• A flexible work schedule allowing you to balance work and family
• A broad range of further education and professional development programmes
• An occupational health management model with numerous attractive options, such as our university sports programme
• Supplementary pension scheme (RZVK)
• Discounted tickets on local public transport services (‘Jobticket’)

We look forward to receiving your (written) application with motivation letter, CV and certificates. Please quote reference number W1966 when applying. Applications must be received by no later than 19 September 2021 and should be sent to the following address:
Universität des Saarlandes
Assistant Prof. Dr. Marcel Lauterbach
CIPMM
Building 48
66424 Homburg
Email: Marcel.Lauterbach@uni-saarland.de

Application documents will not be returned. Please only submit copies of your documents and do not use plastic wallets, folders, ring binders, etc.

If you have any questions, please contact us for assistance. Your contact:

In accordance with the objectives of its equal opportunities plan, Saarland University seeks to increase the proportion of women in this field. Qualified women candidates are therefore strongly encouraged to apply. Preferential consideration will be given to applications from disabled candidates of equal eligibility. The successful candidate has the option of choosing to work part-time in this position.

We welcome applications regardless of gender, nationality, ethnic and social origin, religion/belief, disability, age, and sexual orientation and identity.

Pay grade classification is based on the particular details of the position held and the extent to which the applicant meets the requirements of the pay grade within the TV-L salary scale.

Unfortunately, costs for attending an interview at Saarland University cannot be reimbursed in principle.

When you submit a job application to Saarland University you will be transmitting personal data. Please refer to our privacy notice for information on how we collect and process personal data in accordance with Art. 13 of the Datenschutz-Grundverordnung. By submitting your application you confirm that you have taken note of the information in the Saarland University privacy notice.
