COMPANY DESCRIPTION

SAP’s vision is to help the world run better and improve people’s lives.

As the cloud company powered by SAP HANA®, SAP is a market leader in enterprise application software, helping companies of all sizes and industries run better. SAP empowers people and organizations to work together more efficiently and use business insight more effectively. SAP applications and services enable our customers to operate profitably, adapt continuously, and grow sustainably.

At SAP, we believe in the power of collaboration and empower our employees to perform at their best in an environment that encourages free and open expression of ideas. You’ll work alongside creative thinkers who share your interests, while turning big ideas into reality for our customers. With innovative job training, mentors to help you grow, and the flexibility to balance your work and personal life, you’ll be able to get more out of your career. It’s no wonder that some of the sharpest minds from around the world are working for a company that is consistently recognized as a global top employer.

Now it’s your turn to take the next step and help make the world Run Simple.

EXPECTATIONS AND TASKS
As part of SAP Employee Communications, you will have the opportunity to gain hands-on experience in online journalism. You will learn about both the editorial and technical aspects of running a multimedia online publication targeted at a global audience. You will get insight in and support a variety of projects targeted at informing and engaging employees.
Your tasks will comprise the following:

Editorial support for our online employee news channel;
Technical support (e.g. content upload, editing, and publishing through our set of content management tools);
Editing, translating, and proofreading of texts, polls, and newsletters;
Research for and writing of polls, articles and interviews on SAP-related topics;
Project support.

Preferred start date for the internship is as soon as possible for a duration of 6 months.
EDUCATION AND QUALIFICATIONS / SKILLS AND COMPETENCIES

Student (f/m) at a university or university of applied sciences
Preferred field(s) of study: Journalism, Creative Writing, Languages, Communications, Business Administration
Computer skills: MS Office, basic HTML and image processing/editing (e.g. with Gimp) are a big plus
Language skills: fluent in English or German, excellent English/German writing and editing skills
Others:

Self-motivated, proactive, creative and team-oriented
Video editing skills (Adobe Premiere Pro) are a plus
Editorial experience is a big plus

Your set of application documents should contain a cover letter, a resume in table form, school leaving certificates, current university transcript of records, copies of any academic degrees already earned, and if available, references from former employers (including internships). Please remember to describe your skills in foreign languages and computer programs.
