GE Global Operations

Lead Operational Controllership Analyst – R2R
Job No. 3054395, Hungary; Budapest

About us
GE is the world’s Digital Industrial Company, transforming industry with software-defined machines and solutions that are connected, responsive and predictive. Through our people, leadership development, services, technology and scale, GE delivers better outcomes for global customers by speaking the language of industry.
The Record to Report (R2R) Global Ops Finance European Team is a component of the Global Ops Finance Europe organisation. The R2R Global Ops Finance Europe team is in charge to provide support mainly related to the regular activities related to the closing of the books of GE’s affiliates across countries in Europe.

Responsibilities
Services scope include preparatory and closing activities in areas like Compensation & Benefit, Treasury, Commercial, Supply Chain, Other Asset and Liabilities, Cash&Banking, Payments, Closing & Reporting and Intercompany.
• Ownership for the trial balance of one or multiple ledgers in the region;
• Work with multiple process teams to ensure highest quality;
• Build strong partnerships with multiple stakeholders across functions;
• Provide commentary to the balance composition and variance to the consolidated balances;
• Provide support on various R2R related projects (e.g. simplification, system changes, new policies implementation);

Qualifications
• Strong experience in accounting and audit/finance and proven ability to operate in a diverse operational and cultural environment is essential;
• Strong analytic skills and Controllership mindset;
• Knowledge of US GAAP;
• Fluent English;
• Excellent communication skills: experience with working with multiple stakeholders, functions and regions and ability to deliver message effectively both verbally and in writing;

If you have any further requests, please contact Anna Lena Mehnert, Recruiter, at Tel. +491721670751.
We look forward to receiving your [online application](#)!
