Circuit Foil Luxembourg (www.circuitfoil.com) is a world-class producer of copper foils for the electronics industry with subsidiaries in Canada and China and with sales offices in North America and Hong Kong. Typical copper foils are obtained by electro deposition. Established in Wiltz, in the North of the Grand Duchy of Luxembourg since the early sixties, our broad foil portfolio is used by the major laminators and printed board manufacturers in Asia, Europe and North America. Circuit Foil Luxembourg is a subsidiary of Doosan Group, a South Korean Manufacturing Group of 40 000 people and 15 billion USD revenues.
